GOVERNMENT OF INDIA
PETROLEUM AND NATURAL GAS
LOK SABHA

UNSTARRED QUESTION NO:1235
ANSWERED ON:24.07.2017
PNG Pipeline
Gogoi Shri Gaurav

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether Indraprastha Gas Limited (IGL) has laid down pipeline for PNG connection in several housing societies particularly in Gaur City at Greater Noida West, Uttar Pradesh and if so, the details thereof;
(b) whether the technicians of IGL have also installed meters at several premises in the said area but final connectivity with gas stove has not commenced despite repeated requests;
(c) if so, the details thereof along with the steps taken to start PNG connection and the timelimit prescribed for starting connections/supply from the date of installation of meter at the premises; and
(d) the time by which the PNG connections are likely to start in the said societies' premises?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF PETROLEUM & NATURAL GAS (SHRI DHARMENDRA PRADHAN)
(a) to (c): As per the information furnished by Indraprastha Gas Limited (IGL) the pipeline for providing PNG connections in 1st, 4th and 5th Avenue of Gaur City, Greater Noida West in Uttar Pradesh has been laid. Out of 1456 customers who have registered with IGL, meters have been installed in 811 flats/houses and gas supply has also been started in 393 flats/houses as per the request of registered customers. IGL has informed that gas supply to customers is started as per the requests received from them. The maximum time limit prescribed for starting connections/supply from the date of installation of meter at the premises is 48 hours from receipt of request from the customers.
(d): The gas supply in 393 flats/houses in Gaur City has already started.
